

# FACE to FACE

THE CASE FOR HYBRID CARDIOLOGY

27-30  
OCT

22<sup>nd</sup> Annual SA Heart® Congress 2022  
Sandton Convention Centre  
Johannesburg | South Africa

## HeFSSA Symposium: Cardiology for Non-Cardiologists

**FRIDAY 28 OCTOBER 2022**

Venue	Sandton Convention Centre, Johannesburg   Committee Room 4	
10h00	Registration	
Time	Topic	Speaker
Chair	Dr Eric Klug	
11h00 – 16h30	What I want you to know about GFR/Albuminuria; the cardiovascular implications and what to do about it	
	How I want you to care for the elderly cardiovascular patient- pitfalls in diagnosis and therapy	
	How I differentiate lung from heart dyspnoea and my evidence-based approach to inhaler therapy	
	How I think you should interrogate an ECG in your practice	
	How I want you to treat Type II DM through a cardiovascular lens	
	What medications I would like you to think of stopping/reducing prior to elective surgery	
	How I approach calcium, Vitamin D administration - my approach to bone care while considering the cardiovascular system	
	How I care for my heart failure patient	
	How I think genetic investigations are relevant in your practice in 2022	
16h30	Close & Thanks
